Part 1: Basics Summary

35% solved generally

66.2 score in Kattis End of first part

2 times presented Kattis Pb in front of the class

Cooking Water - Weekly Exercise 25.10.2023

Relatives - Weekly Exercise 02.11.2023

Part 2: Application Summary_ Spinderella Game_

I primarily contributed to the game's algorithmic aspects, including the "Capture Event of the Spiders," "Movement of the Ants," and "The Protection of TreeBark." Additionally, I was responsible for designing the game's user interface. In this project I estimate I did around 35% of the work we had 2 feedback talks , one on 25th of January the other is on the 1st of February
